My dear Packer:

Many thanks for your note about [redacted]  
I understand that she has taken her tests and that the  
various security checks have been initiated. It is  
helpful to have your letter of recommendation and  
support.

Now that I am more or less settled in  
Washington I hope we can get together; in fact  
we are very nearly neighbors as I am now living at  
[redacted]

Sincerely yours,

Allen W. Dulles

E. L. Packer, Esq.
